Subject: Invitation Letter - NeurIPS 2026 Paris - Visa Application

Dear Sir or Madam,

We are pleased to confirm that Md Abu Sufian, has been invited to attend and participate as an **author/presenter at NeurIPS 2026 Paris**, the Paris satellite event of the Conference on Neural Information Processing Systems (NeurIPS 2026).

NeurIPS (Conference on Neural Information Processing Systems) is a major international scientific conference dedicated to artificial intelligence, machine learning, and related fields. It brings together researchers, academics, industry professionals, and experts from around the world to present and discuss scientific research and the latest developments in these fields.

The **NeurIPS 2026 Paris satellite event** will take place in **Paris, France, from December 9 to 13, 2026**. The program will include scientific presentations, workshops, poster sessions, and opportunities for researchers and professionals to exchange and collaborate within the international artificial intelligence and machine learning community.

The main conference venue from December 9 to 11, 2026 is located at:

- Centre de Congrès de Paris - 2 Place de la Porte Maillot, 75 017 Paris, France

The workshops from December 12 to 13, 2026 will be held at 2 other venues:

- The Centre de Congrès de Paris - 2 Place de la Porte Maillot, 75 017 Paris
- The University of Paris Sorbonne, 4 Place Jussieu, 75 005 Paris.

Md Abu Sufian is an author of the following accepted contribution(s) and has been invited to present this work during the NeurIPS 2026 Paris event:

- **6: One Block to Segment Them All: Unified Spatial-Channel Attention for 3D Medical Images**

The present invitation is for the purpose of securing a visa to attend NeurIPS2026 in Paris.

Attendees' registration is covered by the NeurIPS in Paris organization. Travel, lodging and any other expenses incurred to attend the conference will not be covered or waived by the Organization.

Should you require any additional information or documentation regarding the conference, the participant's

scientific contribution, or this invitation, please do not hesitate to contact us.

Yours faithfully,
